Subject: **Change in Company Name**
From: **ABB Automation Products**
To: **ABB Automation Technology Products AB**

Dear Mr. Jacobsson:

Our records have now been updated to include the subject change(s) to your Certification file(s).

This change has necessitated the issuance of a new Product Service Agreement (two copies are enclosed).

The Product Service Agreement is a Legal document outlining the requirements of both parties and is mandatory between your company and CSA International. Therefore, in order to maintain your Certification listing, please **sign and return by mail one copy** of the Agreement to the attention of the undersigned at **178 Rexdale Blvd.**, (see below for complete address). The second copy is to be retained for your records. The expected date of return for this document is January 6, 2002.

If you have any questions or require further information, please do not hesitate to contact the undersigned.

Yours truly,

Susan Platt
